

Masked Option

1. Individuals who are 3 feet away or more from the positive individual will not be included in contact tracing.
2. Individuals who are closer than 3 feet to the positive individual will be identified as a close contact, but may not need to quarantine.
3. Students who are vaccinated or who have tested positive in the past 90 days do not need to quarantine. Proof must be provided.

Unmasked Option

1. A close contact is defined as an individual who is within 6 feet for 15 minutes or longer of a positive individual within 48 hours of symptoms or a positive test if asymptomatic.
2. Individuals identified as close contacts may elect the approved 10 or 14 day quarantine options.
3. Students who are vaccinated or who have tested positive in the past 90 days do not need to quarantine. Proof must be provided.
4. Masks are still required for the duration of the federal transportation mask mandate.
