

The logo features the word "ILEARN" in white, bold, uppercase letters centered within a large, dark grey circular shape. This circle is partially overlapped by a light blue shape at the top left and another light blue shape at the bottom left. The background of the slide is white with various abstract shapes: a large red circle at the top right, a light blue shape at the bottom right, and a light blue shape at the bottom left.

About ILEARN

01

Untimed

There is scheduling & timing guidance, but no limits.

02

Adaptive

Every student is tested on the same skill & level but at varying difficulty (how the question is asked) based on how each question is answered.

03

Knowledge

Most questions are at depth of knowledge 2 & 3, which means it goes beyond surface level recall to more thinking & reasoning. The test requires a lot of stamina!

04

Resources

The IDOE has released several tools and the teachers have started to use this information to plan instruction for standards mastery.

05

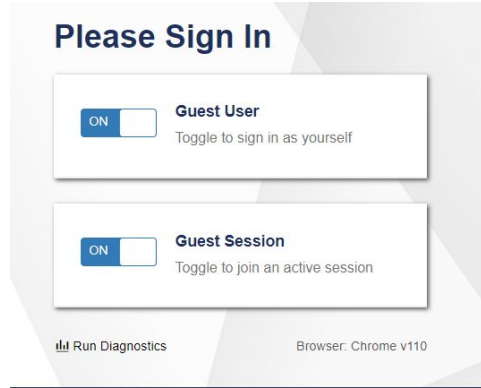

Results

Students are rated as below, approaching, at, or above proficiency. State averages are released each year alongside district data.
