

Students involved in
ART PROGRAMS

are **3X MORE LIKELY** to
be recognized for

- Academic achievement
- Election to class office
- Awards for attendance

**FINE ART
SHOWCASE**

The second Friday and Saturday of April each year, The Fine Arts Showcase displays art from every school in the Metropolitan School District of Martinsville to honor the artists in grades K-12th grade.

This event is held at the Martinsville Art Sanctuary and is free to the public. Each year a select number of students are recognized for artistic achievement with awards from a panel of judges.

ART CLUB

MHS offers a six-week afterschool art club that is open to any student enrolled in an art class or not as a place to create and belong. Updates regarding when art club will be offered this school year will be sent via the Parent Square app.

OUR TEAM

The ART-Ts

**HILDA
TRAMPKE**

has over 20 years experience teaching art and began teaching art for Martinsville in 2017. She loves teaching art and her favorite medias are textiles and sculpture.

**JESSICA
TAYLOR**

began teaching art in 2014. Jessica started teaching Visual Arts for the MSD of Martinsville in 2020. Her favorite subject is Art History and her favorite medium is graphite.

2D ART CLASSES

Students who take 2D Courses will learn about drawing skills, painting, color theory, and commercial art. The course emphasizes the elements and principles of design in creating well-crafted two-dimensional art. Additionally, students will explore art history, aesthetics, and art criticism to appreciate and understand artists and their work.

2D Classes:

- Introduction to 2D Art (required for all additional 2D art classes)
- Drawing 1 and 2
- Painting 1 and 2
- Printmaking 1 and 2
- Advanced 2D Art

ART HISTORY

This non-studio art course aims to enhance students' awareness and appreciation of the visual arts by exploring art criticism, historical movements, and artistic elements. This class is offered online through APEX.
