Unified Champion School

The MSD of Martinsville is thrilled to announce that Martinsville High School has been officially recognized as a Champions Together School for the 2023-24 academic year by the Indiana High School Athletic Association (IHSAA) and Special Olympics Indiana!

This prestigious recognition reflects our school's dedication to promoting inclusivity, respect, and teamwork by embracing Unified Sports and providing opportunities for all students, regardless of ability, to participate in athletics. We are incredibly proud of our students, staff, and athletes who have worked together to build a more inclusive and supportive environment.

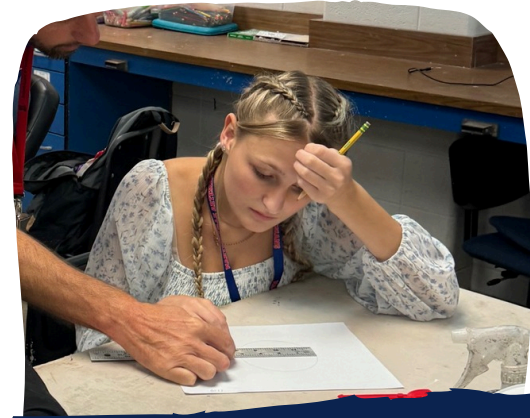

MHS Athletics held a special Banner Presentation Ceremony to commemorate this achievement and celebrate our school's commitment to fostering a culture of inclusion and belonging.

Martinsville Open Enrollment

Habitat for Humanity

MSD of Martinsville students will be participating in a meaningful community service project in collaboration with Habitat for Humanity. This is the third Habitat for Humanity build that MSD of Martinsville students and staff have participated in. We couldn't be more proud of the continued commitment to making a positive impact in our community. Students will be working alongside Habitat for Humanity volunteers and staff on various stages of home construction, from framing walls to painting, and everything in between. This hands-on experience will reinforce students with teamwork, responsibility, and the importance of giving back to others. This project offers students an incredible opportunity to contribute to the local community, learn valuable life skills, and help provide safe and affordable housing for families in need.

District Anti-Bullying Campaign

As part of The MSD of Martinsville's ongoing efforts to foster a safe and inclusive environment for all students, the District is proud to announce its participation in National Bullying Prevention Month this October. Throughout the month, students will be engaging in various activities, discussions, and events to raise awareness and take a stand against bullying in all its forms.

The District's Anti-bullying Campaign aims to empower students with the tools and knowledge to recognize, prevent, and address bullying. Here are a few highlights of the October campaign:

- Special activities encouraging students to spread kindness and support one another.
- Educational Workshops: Sessions for students focusing on the impact of bullying and strategies for promoting inclusion.
- Pledge Against Bullying: Students will have the opportunity to sign a pledge to stand up against bullying and support their peers.

Families are encouraged to join us in these efforts by having conversations at home about the importance of

kindness, respect, and standing up against bullying.

Together, staff, students, and families can continue to make the District's schools a place where every student feels safe, valued, and respected.

Thank you for your support in creating a positive school culture. A district-wide newsletter with more information will be distributed in the month of October.

Anti-Bullying Corner

WHAT CAN YOU DO IF YOU ARE BEING BULLIED?

- Talk to an adult you trust.
- Hold your head up straight.
- Make eye contact, and walk away confidently.
- Try to make friends with other students.
- Get involved in activities you enjoy. Bullies tend to not pick on people in groups.
- Don't fight back. Doing so can sometimes make it worse.
