STUDENTS' FAVORITE CENTER:

BY FAR MY STUDENTS' FAVORITE CENTER IS THE HOME LIVING CENTER. THEY LOVE TO PLAY OUT DIFFERENT SCENARIOS LIKE COOKING, CLEANING, AND TAKING CARE OF THE BABIES! THIS WEEK, WE TURNED OUR KITCHEN AREA INTO AN APPLE STAND. THEY CAN PRETEND TO ORDER APPLES, APPLE CIDER, COOKIES, AND PUMPKINS! THERE IS SO MUCH WORK TO DO TO KEEP THE STAND RUNNING! ON TOP OF ALL THAT, THERE ARE LEAVES TO BE RAKED, TOO!

STUDENTS' FAVORITE ACTIVITY:

ONE OF THE FAVORITE ACTIVITIES IN MY CLASSROOM IS PAINTING. MY CLASS LOVES FINGER PAINTING, WATERCOLOR PAINTING, AND PAINTING WITH QTIPS. ANOTHER FAVORITE ACTIVITY IS BUILDING WITH BLOCKS AND MAGNATILES. I THINK I MAY HAVE SOME FUTURE ENGINEERS IN MY CLASSROOM. THEY CAN BUILD SOME AMAZING CASTLES, GARAGES, BUILDINGS, AND BRIDGES!

MY CLASS HAS BEEN WORKING HARD PRACTICING SOCIAL SKILLS AND LEARNING OUR SCHOOL ROUTINES. THEY ARE LEARNING PATIENCE BY TAKING TURNS, RESPONSIBILITY BY KEEPING TRACK OF SOME OF THEIR OWN THINGS, AND COMPASSION BY INCLUDING EVERYONE. EACH OF THEM HAS ALSO ALMOST MASTERED RECOGNIZING THEIR OWN NAME, AS WELL AS THEIR FRIENDS' NAMES.
