Coaches are evaluated on various factors including the coach’s impact on the team, school and community, as well as the team’s performance. The honorees are selected by a panel of football media, former athletic directors and other football representatives from across the state.

At the conclusion of the high school season, each winning coach will receive a \$1,000 donation from the NFL Foundation, as well as a commemorative plaque. What’s more, Corteva Agriscience will contribute an additional \$1,000 to the school’s athletic fund. Certor Sports will issue a \$1,000 helmet credit to each winning program’s athletic department.
