

Dear Elementary Families,

The MSD of Martinsville is currently working to finalize the elementary school boundaries as part of the Artesian Initiative and opening of the new elementary school for 2027-2028.

The District plans to notify families in October 2026, once the new boundaries are finalized. At that time, families with students in grades K-2 will also receive a postcard in the mail outlining the school assignment plan for the 2027-2028 school year.

The District will have an open transfer period for students residing within the MSD of Martinsville. This opportunity will allow families to request a transfer for students to attend the elementary school of their choice, following the guidelines for transfer students. The specifics for the transfer guidelines will be shared with families, via ParentSquare, in the Fall of 2026.

Thank you for your patience as the District works to complete the plan. The goal is to provide clear information and a smooth transition for students, families, and staff.
